Privacy Policy

1. Introduction

This SERVICE is provided by Aritek. We respect the privacy of our users and are committed to protecting it through our compliance with this policy. This policy describes:

The types of information we may collect or that you may provide when you install, access, or use the Aritek application (the "App").

Our practices for collecting, using, maintaining, protecting, and disclosing that information.

We do not collect any personal identifiable information to our server, if you do not log in with your social media account to use the App. To be specific, we do not require the consumers to get registered when using the application, nor do we keep track of the consumers' visits of our application.

2. Face Data Collection, Use, Sharing, and Retention

What face data does the app collect?

Our app processes images you provide that may contain faces for the following features:

- Enhancer: Improves sharpness, unblurs, colorizes, and smooths old photos.
- Remove Background: Removes the background from your photos.
- Aging: Generates a sequence of aged images from your original photo.

It's important to understand that we do not collect or extract biometric identifiers or facial templates. We only process the image data you submit to us.

How is the collected face data used?

The face data we process is used solely to provide the features you request. Here's a breakdown of how it works for each feature:

- Enhancer & Aging: Your image is securely sent to our private cloud server via HTTPS for processing (enhancement or age transformation). The processed image (the result) is temporarily stored for up
  al images are never stored on our server.
- tures happens directly on your device.

How long is face data retained?

We have strict retention policies for any face data we process:

Privacy Policy

- For Enhancer and Aging: Only the result image is retained for a maximum of 7 days after processing. After this period, it is automatically and permanently deleted. Your original uploaded images are never stored.
- For Remove Background / Colorize: You have complete control over all images, as they are stored exclusively on your device's storage and we do not store them.

3. Information Collection and Use

In order to improve the App and provide better service to our users, we may collect aggregated usage data, including, but not limited to, data related to app crashes and other system activity.

To the extent we display advertising in our Services, with your consent as may be required by applicable law, we may share or we may allow online advertising networks, social media companies, and other third-party services to collect information about your use of our Services over time to enable them to play or display ads on our Services, on other devices you may use, and on other websites, apps, or services. Typically, though not always, the information we share is provided through cookies, software integrations, or similar tracking technologies, which recognize the device you are using. We and our third-party partners use this information to try to make the advertisements you see online more relevant and tailored to your interests, as well as to provide advertising-related services such as reporting, attribution, analytics, and market research. Such information includes the following:

- Device make, model and operating system;
- Device properties related to screen size & orientation, audio volume and battery;
- Carrier;
- Operating system;
- Name and properties of mobile application through which the user interacts with the Services;
- Country, time zone and locale settings (country and preferred language);
- Network connection type and speed;

4. Log Data

We want to inform you that whenever you use our App, in the case of an error in the App, we collect data and information on your phone called Log Data. This Log Data may include information such as your device's Internet Protocol ("IP") address, device name, operating system version, the configuration of the App, the time and date of your use of the App, and other statistics.

5. Information from Third-Party

The Company allows You to create an account and log in to use the Service through the following Third-party Social Media Services:

Google

If You decide to register through or otherwise grant us access to a Third-Party Social Media Service, We may collect Personal data that is already associated with Your Third-Party Social Media Service's account, such as Your name, Your email address, Your activities or Your contact list associated with that account.

You may also have the option of sharing additional information with the Company through Your Third-Party Social Media Service's account. If You choose to provide such information and Personal Data, during registration or otherwise, You are giving the Company permission to use, share, and store it in a manner consistent with this Privacy Policy.

7. Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

8. Links to Other Sites

This App may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites.

9. Data Retention

We retain your personal information for as long as needed to provide you Services, unless we are required by law to delete or if we accept your request to delete the information pursuant to applicable law. We will also retain and use your personal information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

When we no longer require your personal information, we will look to delete, destroy, or anonymize it pursuant to our typical procedures. If this is not possible (for example, because your personal information has been stored in backup archives), then we will apply security measures to your personal information and isolate it from any further processing until deletion or destruction can occur pursuant to our typical procedures. If we anonymize your personal information (so that it can no longer be associated with you), we may use this information indefinitely without further notice to you.

10. Managing Your Information and Deletion Policies

Subject to certain exemptions, you can manage information we receive about you, and you may have additional rights as explained in the “Specific Provisions for Certain Non-U.S. Users” and the “Specific Provisions for Certain U.S. Multistate Users.”
