Modern & Minimalist Digital Designs

Private Policy

Last Update: December 11, 2024

We Care about your privacy and security of your personal information

Collecting and using your personal data

Watch- face applications we create and sell on google play store DOES NOT COLLECT or share any USER DATA or information to any third parties.

Permissions:

Health features in my app : Activity & Fitness : Our watch face app requires the android.permission.BODY_SENSORS permission to enhance the user experience by providing real-time access to health and fitness data directly on the watch face. Specifically, the app uses this permission to access the user's step count and heart rate data.

Chirdren's Privacy

Our application does not address any one under the age of 13. We do not collect any personnel information from children through our application.

We may update our Privacy Policy time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
