your personal data, please see Section 7 "With Whom We Share Your Information" below.

Please also note that for a better understanding of the "legal bases" column in the above table, you may refe to section 14 "Additional Privacy Information for EE Users"below.

5. Cookies and Similar Technologies

Information Collected Using Cookies and Other Wel Technologies. Like many website owners and operators, we use automated data collection tools suc as Cookies and Web Beacons to collect certain information.

（1）"Cookies" are small text files that are placed o your hard drive by a Web server when you access ou Services. We may use both session Cookies and persistent Cookies to identify that you've logged in t the Services and to tell us how and when you interact with our Services. We may also use Cookies to monitor aggregate usage and Web traffic routing on our Services, and to customize and improve our Services. Unlike persistent Cookies, session Cookies are deleted when you log off from the Services and close your browser. Although most browsers automatically accept Cookies, you can change your browser options to stop automatically accepting Cookies or to prompt you before accepting Cookies. Please note, however, that if you don't accept Cookie you may not be able to access all portions or features of the Services. Some third-party services providers that we engage (including third-party advertisers) ma also place their own Cookies on your hard drive on th basis of related arrangement. Please note that this Privacy Policy covers only our use of Cookies but no use of Cookies by such third parties.

（2）"Web Beacons" (also known as We s, pixe tags or clear GIFs) are tiny graphics with a unique identifier that may be included on our Se for several purposes, including to deliver or communicat with Cookies, to track and measure the performance our Services, to monitor how many visitors view our Services, and to monitor the effectiveness of our advertising. Unlike Cookies, which are stored on the user's hard drive, Web Beacons are typically embedded invisibly on Web pages (or in an e-mail).

We use cookies to provide you with a better&safer service. Some cookies are necessary to use&improve our service, and make sure they work properly, by clicking "Allow All" or "**Manage Cookies**" to agree **Cookie Declaration**.

Reject Non-Necessary

We will not share any information that we have collected from or about you except as described belo and we will share only necessary information on the minimum basis:

(1) Information Shared with Our Services Providers. We may engage third-party services providers, such a cloud service providers, payment service providers, marketing service providers and AI service providers, to work with us to administer and provide the Services. Such third-party services providers will have access to your information for the purpose of providing you with the basic Services. Such data-sharing activities are necessary for the performance o the contract between us. You will find a list of our service providers and the privacy policies of their services via the following URL: https://www.wps.co service_provider_list

(2) Information Shared with Our Advertisement Providers. Generally, we share the Service Informatio with direct or 3rd party Advertisement Providers in order to provide the WPS Ad Services. Such data-sharing activities are necessary for the performance o the contract between us, provided that you have subscribed to our WPS Ad Services. You will find a list of our ad partners list and the privacy policies of their services via the following URL: https://www.wp s.com/ad_partners

(3) Information shared with Software Development Kit (SDK) providers. We may share your informatior with SDK providers to realize the corresponding functions and/or features so that we can provide our Services to you. You will find a list of providers and the privacy policies of their services via the followin URL:https://www.wps.com/Third_Party_SDK

(4) Information Disclosed in Connection with Business Transactions. If we are engaged third party in a transaction such as merger, acquisition or sales of assets or if our assets are acquire third party in the event we go out of business or enter bankruptcy, your information may be disclosed or transferred to a third party acquirer in connection wit such transaction. Such processing is is necessary for the purposes of the legitimate interests pursued by th us and the corresponding party.

We use cookies to provide you with a better&safer service. Some cookies are necessary to use&improve our service, and make sure they work properly, by clicking "Allow All" or "**Manage Cookies**" to agree **Cookie Declaration**.

"delete my account", your request will be processed i accordance with applicable laws and regulations.

If you have any questions or require any further assistance, please contact us by privacy@wps.com.

You can exercise your right to access, update and delete your information:

in the settings of your Apps or other Products, or

you could contact us at privacy@wps.com and we wi assist you to exercise your right.

We may provide other rights for residents of some countries/territories subject to the locally applicable data protection law. Please refer to the region-specific sections below for more information regarding your rights in EEA and California regions.

We respect and take necessary measures to protect your information no matter where you live.

If you have any questions about these rights or you would like exercise any of them, please contact us by sending an email to privacy@wps.com. Additional details of how to get in touch are set out below. In addition, if you are not satisfied with the responses yo receive, you may file a complaint with a data protection authority on our collecting and processing of your information. Please see this directory for mo details with regard to the local data protection authorities.

9. The Security and Storage of Your Information

We take all reasonable administrative, physical and electronic measures to protect the information that we collect from or about you from unauthorized access, improper use or disclosure, unauthorized modificatio and unlawful destruction or accidental loss. We work hard to protect you and WPS from unauthorized access, alteration, disclosure, or destructi information we hold, including: (i) we use encryption to keep your data private while in transit; e restrict access to personal data to WPS employees, contractors, and agents who need that information in order to process it. Anyone with this access is subject to contractual confidentiality obligations and may be disciplined or terminated if they fail to meet these obligations. However, please note that no transmissio over the Internet is completely secure or error-free,

be subject to compromise.

When you use our Services on your computing and mobile devices (“Devices”), such as by using one of our downloadable applications, some of your data wi be stored locally on such Devices.

We have data centers in locations such as Singapore, France, Japan, the United States and India. These locations are selected to enable efficient service operation, enhance performance, and ensure redundancy to safeguard data in the event of an outag or other issues. In the course of using our Services, your information is stored in one or more of the aforementioned data centers taking into consideratior factors such as proximity to your region and capacity of local infrastructure. We take appropriate measures to process the data we collect in accordance with the provisions of this privacy policy and the requirement of applicable laws.

10. How Long We Retain Your Information

We will retain your information for the period strictly necessary for fulfilling the purposes outlined in this Privacy Policy unless a longer retention period is required or permitted by law. We will cease to retain your information once the corresponding retention period has elapsed, the purpose of processing is fulfilled, or after we terminate the operation of the relevant services, save as otherwise required or permitted by applicable laws and regulations.

11. Our Policy Towards Minors

To protect minors’ privacy and personal data security we provide specific protection with regard to minors’ personal data. Our Services are not directed towards minors under the age of 16 （or other minimum age otherwise provided by the related jurisdictions） and we do not knowingly collect, stor share or use personal data from minors. If you are a minor under 16（or other minimum age otherwise provided by the related jurisdictions）, you are not permitted to use and install our products or create you own WPS IDs, unless your parent or legal guardian provides verifiable consent. If we learn that we have collected personal data of a minor under 16, unless w

Reject Non-Necessary

we will take steps to delete such information as soon as we can.

12. Links to Other Sites

Our Services may contain links to websites and services that are owned or operated by third parties (each, a "Third-party Service"). Any information that you provide on or to a Third-party Service or that is collected by a Third-party Service is provided directl to the owner or operator of the Third-party Service ar is subject to the owner's or operator's privacy policy. We're not responsible for the content, privacy or security practices and policies of any Third-party Service. To protect your information, we recommend that you carefully review the privacy policies of all Third-party Services that you access.

WPS's use and transfer to any other app of informatic received from Google APIs will adhere to Google API S vices User Data Policy., including the Limited Use requirements.

13. Additional Privacy Information for EEA Users

In this section, we provide additional information to European Economic Area (EEA) users, as required under EU privacy laws, including the General Data Protection Regulation ("GDPR").

(1) Legal Basis of Processing Information

We process information if one of the following applies:

1. A. Necessary for entry into, or performance o any contract(s) with you (Art 6(1)(b) of the GDPR).
2. B. Necessary for the legitimate interests of us where these are not overridden by your interests or fundamental rights and freedoms 1)(f) the GDPR).
3. C. Necessary for compliance with l obligation to which we are subject (Art 6(1)(c) o the GDPR).
4. D. Necessary in order to protect the vital interests of a natural person (Art 6(1)(d) of the GDPR).

We use cookies to provide you with a better&safer service. Some cookies are necessary to use&improve our service, and make sure they work properly, by clicking "Allow All" or "**Manage Cookies**" to agree **Cookie Declaration**.

of official authority vested in us (Art 6(1)(e) of the GDPR).

6. F. In limited circumstances and to the extent t legal bases for processing set out above do not apply, processed with your consent (Art 6(1)(a) the GDPR).

(2) Cross-border Transfer of Information

If you are based within EEA, please note that where necessary to deliver the services, we will transfer personal data to countries/territories outside the EEA Countries/territories outside the EEA may not provid an adequate level of protection to your personal data. Where such is the case, we will take appropriate safeguards to require that your personal data will remain protected in accordance with this Privacy Policy. The safeguard we primarily rely upon is the European Commission-approved standard contractua data protection clauses.

(3) GDPR Rights

In general, EEA users have the following rights with respect to their personal data in addition to the rights mentioned in Section 9 “Your Rights in relation to O Use of Your Information”:

1. A. Right to Object. You have the right to obje to the processing of your information. If you object, we will no longer process your information unless we can prove compelling legitimate reasons for the processing that outweigh your interests, rights and freedoms, or the processing serves to assert, exercise or defen legal claims on our part.

2. B. Right to Restriction of Processing. You hav the right to request us to process your informatio only to a restricted extent under the following conditions:

1) the accuracy of your information [illegible]ested;

2) you request limited processing inst[illegible] of deletion under the conditions of a justifie[illegible] of erasure;

3) the data is no longer required for the purpose pursued by us, but you need the information to assert exercise or defend legal claims; or

4) the success of an objection is still disputed.

which you have provided to us, in a structured, commonly used and machine-readable format, a well as the right to request us to forward this information to another controller under the following conditions:

1) the processing is based on consent or the contract; or

2) the processing is carried out by automated means.

14. Additional Privacy Information for California Residents

In this section, we provide additional information to California residents, as required under California privacy laws, including the California Consumer Privacy Act ("CCPA") and the California Privacy Rights Act ("CPRA"). This section does not apply to publicly available information lawfully made availab by state or federal government records, de-identified information, aggregate consumer information, or othe personal data that is exempt under the CCPA (such as information covered by the Health Insurance Portability and Accountability Act).

While our collection, use and disclosure of personal data varies based upon our relationship and interactions with you, in this section we describe, generally, how we have collected, shared and disclosed (for business purposes) personal data about California residents in the prior 12 months (from the Last Updated date above), and the rights California residents have under the CCPA regarding this person data.

CCPA Rights and CPRA Rights

In general, California residents have the following rights with respect to their personal data:

Do-not-sell-or-share (opt-out): to opt-out of sale sharing of their personal data.

Right of deletion: to request deletion of their persona data that we have collected about them and to have such personal data deleted, subject to certain exceptions. Once we receive your request and confirm your identity, we will review your request to see if an exception allowing us to retain the information applies.

We use cookies to provide you with a better&safer service. Some cookies are necessary to use&improve our service, and make sure they work properly, by clicking "Allow All" or "**Manage Cookies**" to agree **Cookie Declaration**.

require that we disclose the following to them (up to twice per year and subject to certain exemptions):

1. A. categories of personal data collected
2. B. categories of sources of personal data
3. C. categories of personal data about them we have disclosed for a business purpose or sold
4. D. categories of third parties to whom we hav sold or disclosed for a business purpose their personal data
5. E. the business or commercial purposes for collecting or selling their personal data
6. F. a copy of the specific pieces of personal data we have collected about them

Right to non-discrimination: the right not to be subje to discriminatory treatment for exercising their rights under the CCPA.

Right to correct: the right to correct inaccurate personal data about you collected by us.

Right to limit: the right to limit the use and disclosur of sensitive personal data about you collected by us.

Right of No Retaliation Following Opt Out or Exerci of Other Rights: we shall not discriminate a customer (e.g. denying goods/services, charging different price providing different level or quality of goods or services) because such a customer exercise any of the rights above.

Submitting CCPA/CPRA Requests

California residents may submit CCPA/CPRA reques to exercise your lawful rights listed above to privacy wps.com.

When you submit a CCPA/CPRA request, we will tal steps to verify your request by matching the information provided by you with the information we have in our records. You must provide your name and contact information to verify your reques. In some cases, we may request additional information in order to verify your request or where necessary to process your request. If we are unable to adequately verify a request, we will notify the requestor. Authorized agents may initiate a request on behalf of another individual by contacting us by email; authorized agents will be required to provide proof of their authorization and we may also require that the releva
