Privacy Policy

Thank you for choosing our Library app. We value your trust and take your privacy seriously. We understand the importance of protecting the personal information of our users, especially children.

Our app is designed for children to learn and have fun in a safe and secure environment. We comply with the **Families Policy Requirements** and this **Families policies** training for context and guidance to ensure that our app meets the highest privacy standards.

The personal information we collect: We **do not collect** any personal information from our users. We do not require users to create an account or provide any personal information to use our app. We **do not track** or collect any **personally identifiable information (PII)** from our users.

The non-personal information we collect: We may collect some **non-personal information** such as device type, operating system, app version, and usage statistics. This information is collected to improve the performance of our app and to understand how our users are interacting with our app. We use industry-standard tools such as **Google Analytics** to collect this information.

Third-party services: We do not use any third-party services or libraries that collect or track any personally identifiable information (PII) from our users. However, we may use **third-party services for analytics**, crash reporting, or advertising. These services are carefully selected to comply with the Families Policy Requirements and this Families policies training for context and guidance and are required to adhere to our strict privacy policies.

Advertising: We do not display any advertising in our app.

In-app purchases: Our app may offer in-app purchases to unlock additional features. We do not collect any payment information from our users. All in-app purchases are processed through the official app store and are subject to the app store's privacy policies.

Parental controls: Parents have full control over their child's use of our app. Parents can supervise their child's activity in our app and can delete their child's account at any time.

Data retention: We do not retain any personal information from our users. Non-personal information such as device type, operating system, app version, and usage statistics may be retained for as long as necessary to improve the performance of our app.

Changes to the privacy policy: We may update our privacy policy from time to time. Any changes to the privacy policy will be communicated to our users through the app.

Contact us: If you have any questions or concerns regarding our privacy policy, please contact us at
