PRIVACY POLICY (BIKEINFO)

Privacy Policy relates to the information of the user collected by BikeInfo during the functionality of the App.

BikeInfo being a pioneer in this field sets very high standards for itself, which also translates to our Privacy Policy.

BikeInfo collects, uses, retains and protects your personal information in accordance with its privacy standards as well as any applicable national laws. BikeInfo may process or retain your personal information on its servers in India.

This policy may change from time to time, your continued use of BikeInfo's services after it makes any change is deemed to be acceptance of those changes, so please check the policy periodically for updates.

BikeInfo collects following types of information/data from and about our users of our Services:

User Data: While using the app BikeInfo may collect certain information provided by the user like the name, e-mail address, mobile number, gender, name of the city, profession, nature of vehicle owned by the user, profile picture, date of birth, car dealer details etc. Vehicle Data: BikeInfo may collect the certain vehicle data of User which is publicly available on the Government Parivahan Service.

Your Personal Information: Personal Information is the information that can be associated with a specific person and could be used to identify that specific person whether from that data, or from the data and other information that we have, or is likely to have access to. We do not consider personal information to include information that has been made anonymous or aggregated so that it can no longer be used to identify a specific person, whether in combination with other information or otherwise. Information about your internet connection, the equipment you use to access our Services and your usage details.

Firebase

We may employ third-party companies and individuals due to the following reasons:

To facilitate our Service;
To provide the Service on our behalf;
To assist us in analyzing how our Service is used.
To provide interest-based advertising based on probabilistically modeled insights based on visitation patterns.

If the Users of BikeInfo share any information on the App or the Third-Party links on the App, such content or information shared by the Users may be visible to other Users and can be read, collected and used by them.

BikeInfo has made commercial tie-ups with Third parties whose services supplement the service provided by BikeInfo and help us provide complete and user friendly solutions to our Users. However clicking on these links and availing the services of any Third Party entity is optional and entirely upto the discretion of the User. Clicking on any Third Party link may transport the User to the App/Website of the Third Party. Although BikeInfo has made all efforts to tie-up with the most reputed Third Party brands, however any transactions made by the User on these Third Party platforms shall be entirely between the User and the Third Party entity and BikeInfo shall not be held liable in any case.

While using the App, in case of an error, BikeInfo may collect data and information (through third-party products) on User's phone called Log Data. This Log Data may include information such as User's device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics. However, no Personal Information of the User is disclosed either by BikeInfo or any third party without the specific consent of the User.

BikeInfo may send some marketing material to the e-mail addresses of our Users, Push Notifications, SMS/WhatsApp which may or may not be linked or related to our App and may be sent by Third parties. However, Users shall have the option to opt-out of these promotional or marketing e-mails, Push Notifications, SMS/WhatsApp. No claims whatsoever should lie against BikeInfo for sending these marketing and promotional e-mails, Push Notifications, SMS/WhatsApp.

If the User opts out of targeted advertising delivered by BikeInfo, please note this does not mean User will not receive advertisements. This solely provides User with the choice to receive advertisements that are not targeted at the User and to control the data collected on User for the purpose of displaying advertisements.

BikeInfo shall employ all means to protect your Personal Information. However, despite all measures to protect the data on our servers, BikeInfo shall not be responsible for any unauthorized access or use of data.

Any reviews of our App by the Users are also in public domain and are accessible to the public at large.

BikeInfo without any prior permission do not permit anyone to load/hyper-link any part of the App to any other App/website. BikeInfo also do not permit any app/blog or any social media pages to be hyper-linked to BikeInfo's App.

By accessing this website the user agrees that BikeInfo will not be liable for any direct or indirect loss, of any nature whatsoever, arising from the use or inability to use the website and from the material contained in this App or in any link thereof. The use of the App or any incidental issue that may arise shall be strictly governed by the laws in force in India and by using this App the user submits himself/herself to the exclusive jurisdiction of the courts in Delhi/New Delhi.

The copyright and Trademark of the material contained in this App exclusively belongs to and is solely vested with BikeInfo. The access to this App does not license the User to reproduce or transmit or store anywhere or disseminate the contents of any part thereof in any manner.

BikeInfo reserves its / norms or Government of India may withdraw your consent for us to co on, at anytime, by contacting us at su rs within 7 working days of the receipt
