Special categories of personal data

We DO NOT collect special categories of personal data about you, such as health, disability, race, ethnicity, criminal offences, political opinions, trade union membership, religion and biometrics.

3 How long we keep your personal data

We will keep your personal data for as long as it is reasonably necessary. It will depend on factors such as whether you have an account with us or have interacted with us.

Your personal data will be deleted or anonymized when it is no longer needed for its originally stated processing purposes or for any additional purpose for which we may lawfully further process such

data.

4 Sharing of your personal data

We do not sell, lease, rent or give away your personal data except under the circumstances set out below:

- We may share your personal data with other members of our group of companies so we can provide the best services across our group. They are bound to keep your information in accordance with this policy.
- We may also share your personal data with certain contractors or service providers. They will process your personal data on behalf of us, for example, database service providers, advertising agencies, or customer relation management service providers. Our contractors and service providers will be required to meet our standards on processing data and security. The information we provide to them, including your personal data, will only be provided in connection with the performance of their functions.

Your personal data may be disclosed or transferred to other third-party organisations under the following circumstances:

- If we are discussing selling or transferring part or all of our business – your personal data may be transferred to prospective purchasers under suitable terms as to confidentiality.
- If we are reorganised or sold, your personal data may be transferred to a buyer who can continue to provide the Services to you.
- If we are required to by law, or under any regulatory code or practice we follow, or if we are asked by any public or regulatory authority to disclose your personal data.
- If we are defending a legal claim, your personal data may be disclosed or transferred as required in connection with defending such claim.
- If we have obtained your explicit consent in advance.

Your personal data may be shared if it is made anonymous and aggregated, as in such circumstances the anonymized data will cease to be personal data.

5 Third-party Products and Services

We may include or offer certain third-party products or services on our websites and FlashGet. These third-party products or services have their own privacy policies and they are separate and independent from this policy. We, therefore, have no responsibility or liability for the content and activities related to these third-party products or services.

6 Where your personal data will be stored

Your personal data may be stored and processed in a country or jurisdiction outside of your country of residence, and that country or jurisdiction may have data protection rules which are different from those of your country of residence.

If we are to transfer your personal data out of your country of residence, we will endeavour to ensure that a similar degree of protection is afforded by putting in place adequate technical, organisational and legal measures.

We store your personal data on cloud servers located across the world. We will only transfer your personal data to jurisdictions outside the scope of the European General Data Protection Regulation

(the "GDPR") where the appropriate safeguards set out in the GDPR are in place.

7 Your rights

You may have certain rights in relation to your personal data. We have listed below the rights you have over your personal data.

- You can withdraw your consent at any time if you have given consent on a particular processing activity relating to your personal data.
- You can ask us to confirm if we are processing your personal data.
- You can ask for access to your personal data.
- You can ask to correct your personal data if it is incorrect.
- You can ask us to delete your personal data.
- You can ask us to restrict how we use your personal data.
- You can ask us to stop using your personal data.
- You have the right to complain to the relevant supervisory authority.

A kind reminder that the above rights are not absolute and will only apply in certain circumstances.

You can exercise the above rights by contacting us at help@flashget.com.

8 Cookies

Cookies are small text files that are placed on your device and are widely used to make our websites work and perform other functions. We use the following types of cookies:

- Essential cookies are necessary to provide you with services and features available through our websites. Without these cookies part or all of the functions of our websites cannot be performed properly.
- Analytics cookies are used to understand how users engage with our websites, for example, to generate site usage statistics.
- Advertising cookies are used to display more relevant advertisements and measure advertising campaign performance.

For information on how we use these cookies and how you can manage your cookie preferences, please contact help@flashget.com.

9 Security

We are committed to keeping your personal data safe. We take reasonable and appropriate technical and organizational measures in accordance with applicable laws to ensure that your personal data is adequately protected against accidental or unlawful destruction, damage, loss or alteration, unauthorized or unlawful access, disclosure or misuse, and all other unlawful forms of processing of your personal data in our possession.

10 Changes to the policy

This policy will be updated from time to time.

We will inform you of the updated policy by providing (i) a prominent link on our websites and Services.
