Privacy Policy

Last Updated: 2025/05/27

Please carefully read this Privacy Policy (the “Policy”), which explains the categories of personal information that Videoshow Pte. Ltd ("we" "us" or "our") collects when you (the “User” or “You”) use our Video Maker Music Video Editor through its website (the “Website”) and its mobile application (the “Application”) (collectively, the Website and Application are the "Services"), how that information is used, with whom it may be shared, and your privacy choices.

Important information about your personal information has been bolded, so please pay special attention to it.

If you do not agree to the processing of your personal information in the way this Privacy Policy describes, please do not provide your information when requested and stop using Video Maker Music Video Editor**. By using** Video Maker Music Video Editor **you are acknowledging how we process your personal information as described in this Privacy Policy.**。

1. **Data controller**

The Data Controller for the Video Maker Music Video Editor Services is Videoshow Pte. Ltd, which has a principal place of business at 6 Raffles Quay, #14-06 Singapore 048580. You can contact the Data Controller by emailing developer@videoshowapps.com

2. Collecting and Using Your Personal Data

Personal information refers to any type of information recorded electronically or otherwise relating to an identified or identifiable natural person, excluding information that has been anonymised. We may collect your personal data when you use our products or services or interact with us. Different types of data will be collected, depending on the service you use and your interactions with us. **In some cases, you can choose not to provide such data, but this may prevent us from providing you with corresponding products or services, or may mean that we cannot respond to or resolve any issues you have raised**.

We take all reasonable and feasible measures to ensure that the personal data collected is minimal and relevant to what is necessary in relation to the purposes for which they are processed. Video Maker Music Video Editor may collect and use personal data as follows:

(1) Personal data collected

Video Maker Music Video Editor collects the following categories of personal data, which may be collected from you, through the collection forms in the ordering process or other processes.

①Information you provide to us.

- Account Information: We may ask that you provide certain information to us when you set up an account or profile on the Website, order the Application or contact us through the Website or Application for information or support. This information may include **your email address, account name, or other personal identifier.**
- Purchase Information: If you use features that involve payment, we and/or our payment providers, such as Google Pay and Apple Pay, may collect information about the purchase or payment transaction, such as **order information, purchase token, the products you purchase, date and amount of the order, expiry date, currency code, country code.**
- User Content: We may collect content that you create or upload through the Services, including **prompts, text, images, audio, video recordings and chat history that you input**, depending on the features you use.

②Information we automatically collect when you visit our Services.

- Device Information: This information may include **your IP address** (**or other unique device identifier, including one that we may assign**); **certain details about your browser, operating system and hardware**.
- Location Information: When you access our Services through a mobile device, such as a mobile phone, we may collect **your location** from your device for security reasons and to provide a better service experience.
- Usage Data:We collect information about the products that you use and how you use them and your local device information, including but not limited to **your device information (e.g. phone model and brand), operating system (system version, ID, and language), clicking and the URL that referred you to our Services**.
- Log Data: We collect **information that your browser or device automatically sends** when you use our Services, such as **IP address, the date, time and number of times of your visit, and event information (such as errors, crashes, restarts, and updates)**. We also use web server logs to collect and store **information about service usage**.

③Third parties may use tracking technologies in connection with our Service, which may include the collection of information about your online activities over time and across third party websites.

This Policy does not apply to these third party technologies because we may not control them and we are not responsible for them. Do Not Track is a technology that enables users to opt out of tracking by websites they do not visit. Currently, we do not monitor or take any action with respect to Do Not Track technology.

(2) Purpose and legal basis of personal data processing

① Under the applicable data protection laws of a particular jurisdiction (e.g. GDPR), we must have a legal basis for processing information. For the various purposes described below in this Privacy Policy, Video Maker Music Video Editor explicitly describes the legal basis for each processing operation and the type of data processed:

Purpose of processing	Types of personal information processed	legal basis

Identification and authentication	Account Information Device Information	Contractual necessity
Providing the core functionality of the App	Account Information Purchase Information User Content Device Information Location Information Usage Data Log Data	Contractual necessity
Communicating with you	Account Information Purchase Information	Contractual necessity
To improve and develop our services and train and improve our technology, such as our machine learning models and algorithms	Account Information Purchase Information User Content Usage Data	Legitimate interests
Marketing and advertising	Account Information User Content Purchase Information Usage Data Log Data	Legitimate interests; Consent, where required by applicable laws
To prevent fraud, illegal activity or misuse of our services and to protect the security of our systems and services	Account Information Device Information Location Information Usage Data Log Data	Legitimate interests
To comply with legal obligations and protect the rights, privacy, safety or property of us, our users or third parties	Account Information Purchase Information User Content Device Information Location Information Usage Data Log Data	Legitimate interests; Legal obligation

① Sensitive information

The prompts, text, images, audio recordings, videos and chat logs that you enter may be your personal sensitive data, and in order to provide you with certain features of our Services, we may collect, generate, access, store and use this sensitive information about you. We will only use this data to provide you with the applicable features, and by entering this sensitive information and sending us a request to generate it, you consent to us using it for the purposes set out in this Privacy Policy.

② PLEASE NOTE: We do not engage in "profiling" or otherwise engage in automated processing of Personal Data to make decisions that could have legal or similarly significant impact on you or others.

3. Sharing of Your Personal Data

Only when necessary will we share your personal data with the selected recipients, including:

- **Service Providers and Business Partners**

We may share your personal information with companies that help us to run our business by processing personal information on behalf of us for the purposes identified above. Such companies include providers of payment processing services, server services providers, data analysis services providers, fraud monitoring and prevention providers, email delivery service providers, social media, and other marketing platforms and service providers. We use reasonable efforts to vet vendors for their privacy and data security practices. We require that such vendors agree to protect the data we share with them in accordance with this Policy, and access, process, or store your personal data only in the course of performing their duties to us. At the same time, we will clarify the privacy policy terms of these vendors with you. They include:

(1) Third party tracking tools: Video Maker Music Video Editor may use third party tracking tools (such as Google Firebase Analytics) to track the information on how users use the products and websites, such information will be stored in third party servers. Such third party track tools may send the data analysis report to Video Maker Music Video Editor for Video Maker Music Video Editor’s above mentioned purpose. These third party tracking tools include but are not limited to the following;

> Our partner firebase SDK will collect the following information from you: IP address, Users' names,Email addresses, iOS UDIDs, Secure Android IDs, Passwords, Phone numbers, User agents, Instance IDs, Crash traces, Breakpad minidump formatted data (NDK crashes only), Device specs (iOS). The above information will be used to uniquely identify the user to provide statistics and data analysis services. To learn more about the personal information protection of firebase currently involved in this situation, please click here. 【https://firebase.google.com/support/privacy】

(2) Payment processors: Video Maker Music Video Editor use qualified payment processors such as Apple and Google, please check their terms of service and privacy policies for information about their use and storage of your personal data (where applicable).

- **Authorities and others**

If Video Maker Music Video Editor is under a duty to disclose or share such personal data to comply with any legal obligation, or to protect the rights, property or safety of its business, its customers or others. We may share information with law enforcement, government authorities If the Request originates from a foreign jurisdiction, we will typically disclose information where we in good faith believe that disclosure is permitted by both jurisdictions. In all cases, we may raise or waive any legal objection or right available to us, in our sole discretion.

- **Business transferees**

We may share information with acquirers and other relevant participants (including but not limited to financial advisors, legal advisors) in business transactions (or negotiations for such transactions) involving a corporate divestiture, merger, consolidation, acquisition, reorganization, sale, or other disposition of all or any portion of the business or assets of, or equity interests in Video Maker Music Video Editor (including, in connection with a bankruptcy or similar proceedings). In such a case, we will send prior notification to you, and use reasonable efforts to require the acquiring entity to comply with this Privacy Policy.

4. Links to Third-Party Websites, Products, and Services

To ensure smooth user experience, this website, our products, and services may contain links to third-party websites, products, and services. Our products and services may also use or provide products or services from third parties. We do not have control over third-party websites, products, and services, but you can choose whether to access these links.

We also have no control over the privacy or data protection policies of third parties, as such third parties are not bound by this Statement. Before submitting personal data to third parties, please read and refer to their privacy or data protection policies.

5. Transfer of Your Personal Data

We use global cloud services to process and store your personal data. Currently, our servers are located in the United States and Japan.

In addition, we may rely on service providers around the world to support our operations and provide services to you. As a result, your personal data may be transferred to third party service providers and business partners in different locations for the purposes set out in this Policy. If we transfer any Personal Data to a third country for one or more of the purposes set out in this Policy, we will do so in accordance with the requirements of applicable local data protection laws. If you object to the transfer or use of your information as described in this Policy, please do not use any of the Applications, Services or Websites and immediately remove all of our Applications from your user device.

6. Protection of Personal Information

Video Maker Music Video Editor uses commercially reasonable and industry standard security technologies and safeguards to protect the User's personal data processed by Video Maker Music Video Editor against unauthorized access, loss or destruction, unlawful processing and any processing which is inconsistent with the purposes set out in this privacy policy. We also expect our service providers to protect information in the same manner. No data transmission over the Internet, mobile networks, wireless transmission or electronic storage of information, however, can be guaranteed 100% secure. Please note that we cannot guarantee the security of any information you transmit to us.

If any personal data security incident occurs, we will notify you, pursuant to local legal requirements, of the basic information about the security incident and its possible impact, measures that we have taken or will take, suggestions about active defence and risk mitigation, and remedial measures. The notification may take the form of an email, push notification, etc. When it is difficult to inform data subjects individually, we will take appropriate and effective measures to release a Security Notice. In addition, we will also report the handling status of personal data security incidents as required by supervisory authorities.

7. Retention of Your Personal Data

Video Maker Music Video Editor will seek to minimize the amount of personal information that it collects and maintains and will delete personal data once it is no longer needed for the purpose for which it was collected, for example if you input prompts, it will be deleted 48 hours after the purpose of the service has been achieved (such as content generation). Unless we have received your request to delete your information, we will use the following criteria to determine the period for which we will keep your information:

—our contractual obligations and rights in relation to the information involved;

—legal obligations under applicable laws and regulations to retain data for a certain period of time;

—statute of limitations under applicable laws;

—our legitimate business purposes;

8. User's rights

To the extent required by the law of your jurisdiction, you may have one or more of the below rights. Before you exercise any of the below rights, you may consult your legal counsel if the laws of your jurisdiction stipulate below rights. You can exercise any of the below rights through your Video Maker Music Video Editor's account. If you are unable to exercise your rights through your account, please submit a support form, by emailing developer@videoshowapps.com .

(1) The right to be informed

The User has the right to be provided with clear, transparent and easily understandable information about how Video Maker Music Video Editor collects and uses personal data and its rights. This is the reason why Video Maker Music Video Editor is providing the User with the information in this privacy policy.

(2) The right of access

The User has the right to obtain access to its personal data (if Video Maker Music Video Editor is processing it), and other certain information (similar to that provided in this privacy policy).you may request certain information about our disclosure of personal information to third parties for their own direct marketing purposes during the preceding calendar year. This request is free and may be made once a year.

(3) The right to rectification

The User is entitled to have its personal data corrected if it's inaccurate or incomplete.

(4) The right to erasure or deletion

This ‘right to be forgotten’enables the User to request the deletion or removal of its personal data where there’s no compelling reason for Video Maker Music Video Editorto keep using it.

(5) The right to restrict processing

Under certain circumstances, the User has the rights to ‘block’ or suppress further use of its personal data.

(6) The right to data portability

The User has the right to receive their personal data maintained by Video Maker Music Video Editor in a structured, commonly used and machine readable format and has the right to transmit that data to another controller.

(7) The right to object to processing

The User has the right to object, on grounds relating to its particular situation, at any time, to the processing of its personal data.

(8)The right to lodge a complaint

The User has the right to lodge a complaint about the way Video Maker Music Video Editor handles or processes its personal data with its national supervisory authority .

(1) The right to withdraw consent

If the user has given its consent for a specific processing of its personal data implemented by Video Maker Music Video Editor, the User has the right to withdraw its consent at any time. In case the User does so, it does not mean that anything Video Maker Music Video Editor has done with the User’s personal data with its consent up to that point is unlawful but Video Maker Music Video Editor will not use the user’s personal data for that purpose in the future.

9. Children's Privacy

We do not knowingly collect personal information from individuals who are under the minimum required ages specified herein. You must be at least 13 years of age, or the age of majority in your jurisdiction (whichever is greater), to use our services. Individuals under the applicable age may use our services only through a parent or legal guardian's account and with their involvement. In accordance with the Child Online Privacy Protection Act, in the event that we learn that we have collected personal information from a child under age 13 without verification of parental consent, we will delete that information as quickly as possible. If you are believes Video Maker Music Video Editor may have collected personal information regarding your child, you may ask us to delete such information by email us at developer@videoshowapps.com .

10. Revision of this Privacy Policy

Occasionally, we may change this privacy policy (or other documents related to privacy policy) to allow Video Maker Music Video Editor to use or share your personal data differently. If we do, the links to the policy on our application (which are generally found in “Setting”) will indicate that the policy has been changed. For new users, the change will become effective upon posting. For existing users, if the change is significant, it will become effective after posting. We encourage you to periodically review the privacy policy for the latest information on our privacy practices.

11. Contact us

If the user needs to contact Video Maker Music Video Editor for any reason (including to exercise any of its rights concerning data protection as set out above) please contact developer@videoshowapps.com

Video Maker Music Video Editor will act on the User’s requests and provide information free of charge, except where the requests are manifestly unfounded or excessive (in particular because of their repetitive nature) in which case Video Maker Music Video Editor may charge a reasonable fee (taking into account the administrative costs of providing the information or communication or taking the action requested), or refuse to act on the request.

12. Supplemental Terms and Conditions for Certain Regions

European Economic Area (“EEA”), Switzerland, and UK

If you are using the Services in the EEA, Switzerland or the UK (the “European Region”), the following sections of this article also apply to you.

International data transfers.

When information under our control is transmitted or transferred to a third country other than the United States or Japan, or stored and processed in a third country other than the United States or Japan, we utilize a variety of legal mechanisms to protect the transfer, including adequacy decisions, standard contractual clauses approved by the European Commission, and other protections as appropriate.

If you would like to enquire further about these protections, please contact us at developer@videoshowapps.com

Your rights

Additionally You have the following data protection rights:

(1)You can request access, correction, updates or deletion of your Personal Data.

(2)You can object to our processing of your Personal Data, ask us to restrict processing of your Personal Data or request portability of your Personal Data.

(3)If we have collected and processed your Personal Data with your consent, then you can withdraw your consent at any time. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your Personal Data conducted in reliance on lawful processing grounds other than consent.

(4)You have the right to complain to a data protection authority about our collection and use of your Personal Data.

Please note that in order to protect your information, we will need to verify your identity before responding to any request to exercise your rights. In some cases we may need to collect additional information to verify your identity, such as e-mail address.

How to exercise your rights

Under the GDPR, you may exercise these rights yourself or you may designate an authorized agent to make these requests on your behalf by contacting us at developer@videoshowapps.com . For requests by an authorized agent, we may require you to directly verify your identity with us, and confirm with us that you provided the authorized agent permission to submit the request.

California

California privacy laws require specific disclosures. The following sections of this section detail additional information about the types of personal data we collect and how we use and disclose this information. You can read more about the scope of the personal data we collect and how we use it in “Collecting and Using Your Personal Data” above.

Categories of personal data	Use of personal data	Disclosure of personal data
● As noted above, we collect the following information: ● Account Information: such as your e-mail address, account name or other personal identifier. ● Purchase Information: such as order information, proof of purchase, the product you purchased, the date and amount of the order, the product expiration time, the currency of the transaction and the exchange in country code. ● User Content: such as prompts, text, images, audio recordings and videos that you enter, depending on the features you use. ● Device Information: This information may include your IP address (or other unique device identifier, including one that we may assign); certain details about your browser, operating system and hardware. ● Location Information: When you access our Services through a mobile device such as a cell phone, we may collect your location from your device for security reasons and to provide a better service experience. ● Usage Data: such as information about your device (e.g., phone model and brand), operating system (system version, ID and language), operation, the URL that	● As noted above, we use this information for the following purposes: ● Identity verification; ● Operating our services; ● Communicating and contacting you; ● Improving our services; ● Marketing and advertising; ● Exercising our rights; ● Legal compliance; ● Protecting your information;	As noted above, we may disclose this information in the following circumstances: Service providers and business partners; Government agencies or other third parties for legal reasons; Complaining parties; Third party acquirers;

referred you to our Services. ● Log data: such as IP address, date, time, and number of times you visit, event information (errors, crashes, reboots, and updates).		

Your rights

If you are a California resident and the CCPA does not recognize an exemption that applies to you or your Personal Information, you have the right to:

(1) Request we disclose to you free of charge the following information covering the 12 months preceding your request:

— the categories of Personal Information about you that we collected;

— the categories of sources from which the Personal Information was collected and the purpose for collecting Personal Information about you;

— the categories of third parties to whom we disclosed Personal Information about you and the categories of Personal Information that was disclosed (if applicable) and the purpose for disclosing the Personal Information about you; and

(2) Request we delete Personal Information we collected from you, unless CCPA recognizes an exemption; and

(3) Be free from unlawful discrimination for exercising your rights including providing a different level or quality of services or deny goods or services to you when you exercise your rights under the CCPA.

(4) Having the right to appeal a decision we make relating to requests to exercise your rights.

Please note that in order to protect your information, we will need to verify your identity before responding to any request to exercise your rights. In some cases we may need to collect additional information to verify your identity, such as e-mail address.

In the past 12 months, we have not sold personal information of California residents within the meaning of "sold" in the CCPA.

How to exercise your rights

Under the CCPA, you may exercise these rights yourself or you may designate an authorized agent to make these requests on your behalf by contacting us at developer@videoshowapps.com . For requests by an authorized agent, we may require you to directly verify your identity with us, and confirm with us that you provided the authorized agent permission to submit the request.
