GENERA

The Website veryone who visits our We the Personal Information ntent-related services in predictions. InstaAstro is the results of the Services

This Website is not designed to help those seeking medical advice, tackling depression, or considering/contemplating suicide. If you are someone who is seeking, suffering from, or considering any of the above, we recommend that you immediately terminate the use of this Website and contact any local or national suicide prevention helpline or visit a licensed medical professional as the case may be. If you continue to access this Website and use our Services, you agree and acknowledge that it shall entirely be at your own risk and that InstaAstro shall bear no liability for any loss that you may suffer.

The Website makes no assurances regarding the accuracy of any predictions provided by astrologers to users. It also disclaims any guarantee, responsibility, or liability concerning the authenticity or effectiveness of gemstones and related products offered on the platform. Additionally, the Website does not offer any warranties, express or implied, for these services or items.
