- Research partners, for the purpose of understanding baby sleep patterns and improving our services. We will only share anonymized and aggregated data in this context.
  Third-party service providers, who help us operate and maintain the app, as long as they adhere to strict confidentiality and data protection requirements.

4. Data Retention

We retain your personal information for as long as your account remains active or as needed to provide our services. We may also retain your data to comply with legal obligations, resolve disputes, or enforce our agreements.

5. Data Security

We employ physical, technical, and administrative measures to protect your data from unauthorized access, disclosure, or alteration. However, no method of transmission or storage is completely secure.

ensuring that your personal data remains protected and secure when it is transferred. We will take all necessary steps to ensure compliance with applicable data protection laws, including the use of standard contractual clauses approved by the European Commission.

10. Children's Privacy

Napper is intended for use by parents and guardians to track their baby's sleep patterns. We do not knowingly collect personal information from children under the age of 16. If we become aware that we have inadvertently collected personal information from a child under 16, we will take appropriate steps to delete such information from our records.

11. Third-Party Links

Our app may contain links to third-party websites or services that are not operated by us. We have no
