Privacy Policy of **tablo**

Tablo collects some Personal Data from its Users.

This document contains a section dedicated to Users in the United States and their privacy rights.
This document contains a section dedicated to Users in Switzerland and their privacy rights.
This document contains a section dedicated to Brazilian Users and their privacy rights.

This document can be printed for reference by using the print command in the settings of any browser.

Policy summary

Personal Data processed for the following purposes and using the following services:

Access to third-party accounts

Facebook account access
Permissions: Access private data; Birthday; Contact email; Current City; Email; Gender; Hometown; Interests; List of Friends; Photos; Upload Photos

Analytics

Google Analytics (Universal Analytics) and Google Analytics (Universal Analytics) with anonymized IP
Personal Data: Cookies; Usage Data

Google Analytics for Firebase (for apps)
Personal Data: device information; number of sessions; operating systems; session duration; Trackers; Usage Data

Google Analytics 4
Personal Data: number of Users; session statistics; Trackers; Usage Data

YouTube Analytics and Reporting API
Personal Data: Data communicated in order to use the Service; device information; Trackers; Usage Data

Meta Events Manager
Personal Data: browsing history; clicks; page views; Trackers; Usage Data

Content commenting

Facebook Comments
Personal Data: Cookies; Usage Data

Data transfer outside of the UK

Data transfer abroad based on consent (UK) and Data transfer abroad based on standard contractual clauses (UK)

Advertising

Google AdSense
Personal Data: Cookies; Usage Data

Facebook Lookalike Audience, Meta ads conversion tracking (Meta pixel), TikTok conversion tracking and Google Ad Manager
Personal Data: Trackers; Usage Data

AdMob
Personal Data: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data

Google Ads Audience Expansion
Personal Data: gender; interests; page views; Usage Data

Contacting the User

Mailing list or newsletter
Personal Data: address; city; company name; Cookies; country; county; date of birth; email address; first name; gender; last name; phone number; profession; state; Usage Data; ZIP/Postal code

Contact form
Personal Data: address; city; country; date of birth; email address; field of activity; first name; gender; last name; phone number; profession; Tax ID; User ID; website; ZIP/Postal code

Phone contact
Personal Data: phone number

Content performance and features testing (A/B testing)

Firebase Remote Config

Personal Data: various types of Data

Personal Data: various types of Data as specified in the privacy policy of the service

Device permissions for Personal Data access

Device permissions for Personal Data access
Personal Data: Approximate location permission (continuous); Approximate location permission (non-continuous); Calendar permission; Call permission; Camera permission; Contacts permission; Google Assistant permission; Phone permission; Photo Library permission; Precise location permission (continuous); Precise location permission (non-continuous); Siri permission

Handling payments

Apple Pay, Android Pay, Google Pay and PayPal
Personal Data: various types of Data as specified in the privacy policy of the service

Payments processed via the Google Play Store
Personal Data: device information; payment info; Trackers; Usage Data

Payments processed via the Apple App Store
Personal Data: device information; email address; payment info; Trackers; Usage Data

RevenueCat
Personal Data: Trackers; Usage Data

Stripe
Personal Data: email address; first name; last name; Trackers; Usage Data

Hosting and backend infrastructure

Firebase Realtime Database and Firebase Cloud Firestore
Personal Data: Usage Data; various types of Data as specified in the privacy policy of the service

Firebase Hosting and Google Cloud
Personal Data: various types of Data as specified in the privacy policy of the service

OpenAI API
Personal Data: Trackers; Usage Data

Interaction with external social networks and platforms

Facebook Like button and social widgets, Twitter Tweet button and social widgets, Pinterest "Pin it" button and social widgets, LinkedIn button and social widgets and Google+ +1 button and social widgets
Personal Data: Cookies; Usage Data

Managing contacts and sending messages

Mailchimp

Data transfer outside the EU

Data transfer abroad based on standard contractual clauses, Data transfer abroad based on consent, Data transfer from the EU and/or Switzerland to the U.S based on Privacy Shield, Data transfer to countries that guarantee European standards and Other legal basis for Data transfer abroad
Personal Data: various types of Data

Displaying content from external platforms

Google Maps widget
Personal Data: Cookies; Usage Data

Google Fonts
Personal Data: Usage Data; various types of Data as specified in the privacy policy of the service

OpenStreetMap widget
Personal Data: Trackers; Usage Data

Heat mapping and session recording

Microsoft Clarity
Personal Data: clicks; interaction events; session duration; Trackers; Usage Data

Infrastructure monitoring

Firebase Performance Monitoring
Personal Data: Trackers; various types of Data as specified in the privacy policy of the service

Sentry
Personal Data: various types of Data as specified in the privacy policy of the service

Location-based interactions

Geolocation and Non-continuous geolocation
Personal Data: geographic position

Managing data collection and online surveys

Facebook lead ads

Personal Data: address; company name; Cookies; country; date of birth; email address; first name; gender; last name; phone number; Usage Data; username; various types of Data

Firebase Cloud Messaging
Personal Data: Trackers; various types of Data as specified in the privacy policy of the service

Firebase Notifications
Personal Data: various types of Data as specified in the privacy policy of the service

Personal Data: city; company name; date of birth; email address; first name; last name; phone number; ZIP/Postal code

Platform services and hosting

Google Play Store
Personal Data: Usage Data

Blogger
Personal Data: device information; Trackers; Usage Data

App Store Connect
Personal Data: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Universally unique identifier (UUID); Usage Data

Registration and authentication

Sign in with Apple
Personal Data: email address; password

Adherence to the Google API Services User Data Policy and Limited Use Requirements
Personal Data: various types of Data as specified in the privacy policy of the service

Remarketing and behavioral targeting

Facebook Custom Audience
Personal Data: email address; Trackers

TikTok Remarketing, Google Ad Manager Audience Extension, Remarketing with Google Analytics and Google Ads Remarketing
Personal Data: Trackers; Usage Data

Tag Management

Google Tag Manager
Personal Data: Usage Data

Social features

Inviting and suggesting friends
Personal Data: various types of Data

Public profile
Personal Data: address; city; company name; country; county; date of birth; email address; first name; gender; geographic position; last name; phone number; picture; profession; state; username

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

Push notifications
Tablo may send push notifications to the User to achieve the purposes outlined in this privacy policy.

Users may in most cases opt-out of receiving push notifications by visiting their device settings, such as the notification settings for mobile phones, and then change those settings for tablo, some or all of the apps on the particular device. Users must be aware that disabling push notifications may negatively affect the utility of tablo.

Push notifications for direct marketing
Tablo may send push notifications to the User for the purpose of direct marketing (to propose services and products provided by third parties or unrelated to the product or service provided by tablo).

Users may in most cases opt-out of receiving push notifications by visiting their device settings, such as the notification settings for mobile phones, and then changing those settings for tablo or all of the apps on the particular device.

Users must be aware that disabling push notifications may negatively affect the utility of tablo.

Besides applicable device settings, the User may also make use of the rights described under User rights in the relevant section of this privacy policy.

Transfer of Data outside of Switzerland to third countries that guarantee an adequate level of data protection
If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland to a destination country, or international organization guaranteeing an adequate level of protection of the Data according to a decision of the Swiss Federal Council.

Transfer of Data outside of Switzerland based on the Users' consent
If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland if Users consent to such transfer. When collecting Users' consent, the Owner makes sure to provide all the information that Users need to make an educated decision and to understand the implications and consequences of providing or denying their consent. **Users may withdraw their consent at any time**.

Transfer of Data outside of Switzerland based on standard data protection clauses
If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland, if such transfer is carried out according to standard data protection clauses previously approved, established or recognized by the Federal Data Protection and Information Commissioner. This means that Data recipients have committed to process Personal Data in compliance with the data protection standards set forth by Swiss law. For further information, Users are requested to contact the Owner through the contact details provided in this document.

Selling goods and services online
The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery. The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by tablo depends on the payment system used.

Types of Data collected

Among the types of Personal Data that tablo collects, by itself or through third parties, there are: Cookies; Usage Data; email address; first name; last name; phone number; profession; county; state; country; ZIP/Postal code; gender; date of birth; city; address; company name; Tax ID; User ID; website; field of activity; various types of Data; username; geographic position; picture; Calendar permission; Contacts permission; Camera permission; Precise location permission (continuous); Precise location permission (non-continuous); Approximate location permission (continuous); Approximate location permission (non-

continuous); Phone permission; Photo Library permission; Siri permission; Google Assistant permission; Call permission; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); session duration; clicks; interaction events; device information; number of sessions; operating systems; password; page views; interests; number of Users; session statistics; Data communicated in order to use the Service; payment info; Universally unique identifier (UUID); browsing history.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.
Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using tablo.
Unless specified otherwise, all Data requested by tablo is mandatory and failure to provide this Data may make it impossible for tablo to provide its services. In cases where tablo specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.
Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.
Any use of Cookies – or of other tracking tools — by tablo or by the owners of third-party services used by tablo serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through tablo.

Mode and place of processing the Data

Methods of processing
The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.
The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of tablo (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place
The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time
Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Access to third-party accounts, Analytics, Contacting the User, Interaction with external social networks and platforms, Content commenting, Social features, Handling payments, Tag Management, Location-based interactions, Advertising, Displaying content from external platforms, Data transfer outside the EU, Managing contacts and sending messages, Device permissions for Personal Data access, Managing data collection and online surveys, Remarketing and behavioral targeting, Heat mapping and session recording, Infrastructure monitoring, Hosting and backend infrastructure, Content performance and features testing (A/B testing), Registration and authentication, Platform services and hosting and Data transfer outside of the UK.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Facebook permissions asked by tablo

Tablo may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it. This service allows tablo to connect with the User's account on the Facebook social network, provided by Facebook Inc.

For more information about the following permissions, refer to the Facebook permissions documentation and to the Facebook privacy policy.

The permissions asked are the following:

Basic information
By default, this includes certain User’s Data such as id, name, picture, gender, and their locale. Certain connections of the User, such as the Friends, are also available. If the User has made more of their Data public, more information will be available.

Access private data
Access the User's and friends' private data.

Birthday
Provides access to the birthday.

Contact email
Access the User's contact email address.

Current City
Provides access to the User's current location.

Email
Provides access to the User's primary email address.

Gender
Provides access to the User's gender.

Hometown
Provides access to the User's hometown.

Interests
Provides access to the User's list of interests.

List of Friends
Provides access to the User's list of friends that also use said app.

Photos
Provides access to the photos the User has uploaded, and photos the User has been tagged in.

Upload Photos
Add or modify user's photos.

Device permissions for Personal Data access

Depending on the User's specific device, tablo may request certain permissions that allow it to access the User's device Data as described below.

By default, these permissions must be granted by the User before the respective information can be accessed. Once the permission has been given, it can be revoked by the User at any time. In order to revoke these permissions, Users may refer to the device settings or contact the Owner for support at the contact details provided in the present document.
The exact procedure for controlling app permissions may be dependent on the User's device and software.

Please note that the revoking of such permissions might impact the proper functioning of tablo.

If User grants any of the permissions listed below, the respective Personal Data may be processed (i.e accessed to, modified or removed) by tablo.

Approximate location permission (continuous)
Used for accessing the User's approximate device location. Tablo may collect, use, and share User location Data in order to provide location-based services.

Approximate location permission (non-continuous)
Used for accessing the User's approximate device location. Tablo may collect, use, and share User location Data in order to provide location-based services.
The geographic location of the User is determined in a manner that isn't continuous. This means that it is impossible for tablo to derive the approximate position of the User on a continuous basis.

Calendar permission
Used for accessing the calendar on the User's device, including the reading, adding and removing of entries.

Call permission
Used for accessing a host of typical features associated with telephony.

Camera permission
Used for accessing the camera or capturing images and video from the device.

Contacts permission
Used for accessing contacts and profiles on the User's device, including the changing of entries.

Google Assistant permission
Used for sending the User's Data to Google Assistant (an artificial intelligence-powered virtual assistant).

Phone permission
Used for accessing a host of typical features associated with telephony. This enables, for instance, read-only access to the “phone state”, which means it enables access to the phone number of the device, current mobile network information, or the status of any ongoing calls.

Photo Library permission
Allows access to the User's Photo Library.

Precise location permission (continuous)
Used for accessing the User's precise device location. Tablo may collect, use, and share User location Data in order to provide location-based services.

Precise location permission (non-continuous)
Used for accessing the User's precise device location. Tablo may collect, use, and share User location Data in order to provide location-based services.
The geographic location of the User is determined in a manner that isn't continuous. This means that it is impossible for tablo to derive the exact position of the User on a continuous basis.

Siri permission
Used for sending the User's Data to Siri (an artificial intelligence-powered virtual assistant).

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

- Access to third-party accounts
- Advertising
- Analytics
- Contacting the User
- Content commenting
- Content performance and features testing (A/B testing)
- Data transfer outside the EU
- Device permissions for Personal Data access
- Displaying content from external platforms
- Handling payments
- Heat mapping and session recording
- Hosting and backend infrastructure
- Infrastructure monitoring
- Interaction with external social networks and platforms
- Location-based interactions
- Managing contacts and sending messages
- Managing data collection and online surveys
- Platform services and hosting
- Registration and authentication
- Remarketing and behavioral targeting
- Social features
- Tag Management

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

- Push notifications
- Push notifications for direct marketing
- Selling goods and services online

Tablo uses Trackers. To learn more, Users may consult the Cookie Policy.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Transfer of Personal Data outside of the European Union

Data transfer abroad based on standard contractual clauses

If this is the legal basis, the transfer of Personal Data from the EU to third countries is carried out by the Owner according to "standard contractual clauses" provided by the European Commission.
This means that Data recipients have committed to process Personal Data in compliance with the data protection standards set forth by EU data protection legislation. For further information, Users are requested to contact the Owner through the contact details provided in the present document.

Data transfer abroad based on consent

If this is the legal basis, Personal Data of Users shall be transferred from the EU to third countries only if the User has explicitly consented to such transfer, after having been informed of the possible risks due to the absence of an adequacy decision and appropriate safeguards.
In such cases, the Owner shall inform Users appropriately and collect their explicit consent via tablo.

Data transfer to countries that guarantee European standards

If this is the legal basis, the transfer of Personal Data from the EU to third countries is carried out according to an adequacy decision of the European Commission.
The European Commission adopts adequacy decisions for specific countries whenever it considers that country to possess and provide Personal Data protection standards comparable to those set forth by EU data protection legislation. Users can find an updated list of all adequacy decisions issued on the European Commission's website.

Other legal basis for Data transfer abroad

If no other legal basis applies, Personal Data shall be transferred from the EU to third countries only if at least one of the following conditions is met:

- the transfer is necessary for the performance of a contract between the User and the Owner or of pre-contractual measures taken at the User's request;
- the transfer is necessary for the conclusion or performance of a contract concluded in the interest of the User between the Owner and another natural or legal person;
- the transfer is necessary for important reasons of public interest;
- the transfer is necessary for establishment, exercise or defence of legal claims;
- the transfer is necessary in order to protect the vital interests of the data subject or of other persons, where the data subject is physically or legally incapable of giving consent. In such cases, the Owner shall inform the User about the legal bases the transfer is based on via tablo.

Transfer of Personal Data outside of the United Kingdom

Data transfer abroad based on consent (UK)

If this is the condition for Data transfer, Personal Data of Users shall be transferred from the UK to third countries only if the User has explicitly consented to such transfer, after having been informed of the possible risks due to the absence of an adequacy decision and appropriate safeguards.

In such cases, the Owner shall inform Users appropriately and collect their explicit consent via tablo.

Data transfer abroad based on standard contractual clauses (UK)

If this is the condition for Data transfer, the transfer of Personal Data from the UK to third countries is carried out by the Owner according to “standard contractual clauses” provided by the European Commission.

This means that Data recipients have committed to process Personal Data in compliance with the data protection standards set forth by EU data protection legislation, which are recognized as valid also under UK law. For further information, Users are requested to contact the Owner through the contact details provided in the present document.

Further information for Users in Switzerland

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document**.

The rights of Users according to the Swiss Federal Act on Data Protection

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

Transfer of Personal Data outside of Switzerland

Transfer of Data outside of Switzerland to third countries that guarantee an adequate level of data protection

If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland to a destination country, or international organization guaranteeing an adequate level of protection of the Data according to a decision of the Swiss Federal Council.

Transfer of Data outside of Switzerland based on the Users’ consent

If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland if Users consent to such transfer. When collecting Users’ consent, the Owner makes sure to provide all the information that Users need to make an educated decision and to understand the implications and consequences of providing or denying their consent. **Users may withdraw their consent at any time**.

Transfer of Data outside of Switzerland based on standard data protection clauses

If this is the condition for Data transfer, Personal Data can be transferred outside of Switzerland, if such transfer is carried out according to standard data protection clauses previously approved, established or recognized by the Federal Data Protection and Information Commissioner. This means that Data recipients have committed to process Personal Data in compliance with the data protection standards set forth by Swiss law. For further information, Users are requested to contact the Owner through the contact details provided in this document.

Further information for Users in Brazil

This section of the document integrates with and supplements the information contained in the rest of the privacy policy and is provided by the entity running tablo and, if the case may be, its parent, subsidiaries and affiliates (for the purposes of this section referred to collectively as “we”, “us”, “our”).
This section applies to all Users in Brazil (Users are referred to below, simply as “you”, “your”, “yours”), according to the "Lei Geral de Proteção de Dados" (the "LGPD"), and for such Users, it supersedes any other possibly divergent or conflicting information contained in the privacy policy.
This part of the document uses the term “personal information“ as it is defined in the **LGPD**.

The grounds on which we process your personal information
We can process your personal information solely if we have a legal basis for such processing. Legal bases are as follows:

- your consent to the relevant processing activities;
- compliance with a legal or regulatory obligation that lies with us;
- the carrying out of public policies provided in laws or regulations or based on contracts, agreements and similar legal instruments;
- studies conducted by research entities, preferably carried out on anonymized personal information;
- the carrying out of a contract and its preliminary procedures, in cases where you are a party to said contract;
- the exercising of our rights in judicial, administrative or arbitration procedures;
- protection or physical safety of yourself or a third party;
- the protection of health – in procedures carried out by health entities or professionals;
- our legitimate interests, provided that your fundamental rights and liberties do not prevail over such interests; and
- credit protection.

To find out more about the legal bases, you can contact us at any time using the contact details provided in this document.

Categories of personal information processed
To find out what categories of your personal information are processed, you can read the section titled “Detailed information on the processing of Personal Data” within this document.

Why we process your personal information
To find out why we process your personal information, you can read the sections titled “Detailed information on the processing of Personal Data” and “The purposes of processing” within this document.

Your Brazilian privacy rights, how to file a request and our response to your requests

Your Brazilian privacy rights

You have the right to:

- obtain confirmation of the existence of processing activities on your personal information;
- access to your personal information;
- have incomplete, inaccurate or outdated personal information rectified;
- obtain the anonymization, blocking or elimination of your unnecessary or excessive personal information, or of information that is not being processed in compliance with the LGPD;
- obtain information on the possibility to provide or deny your consent and the consequences thereof;
- obtain information about the third parties with whom we share your personal information;
- obtain, upon your express request, the portability of your personal information (except for anonymized information) to another service or product provider, provided that our commercial and industrial secrets are safeguarded;

- obtain the deletion of your personal information being processed if the processing was based upon your consent, unless one or more exceptions provided for in art. 16 of the LGPD apply;
- revoke your consent at any time;
- lodge a complaint related to your personal information with the ANPD (the National Data Protection Authority) or with consumer protection bodies;
- oppose a processing activity in cases where the processing is not carried out in compliance with the provisions of the law;
- request clear and adequate information regarding the criteria and procedures used for an automated decision; and
- request the review of decisions made solely on the basis of the automated processing of your personal information, which affect your interests. These include decisions to define your personal, professional, consumer and credit profile, or aspects of your personality.

You will never be discriminated against, or otherwise suffer any sort of detriment, if you exercise your rights.

How to file your request

You can file your express request to exercise your rights free from any charge, at any time, by using the contact details provided in this document, or via your legal representative.

How and when we will respond to your request

We will strive to promptly respond to your requests.
In any case, should it be impossible for us to do so, we'll make sure to communicate to you the factual or legal reasons that prevent us from immediately, or otherwise ever, complying with your requests. In cases where we are not processing your personal information, we will indicate to you the physical or legal person to whom you should address your requests, if we are in the position to do so.

In the event that you file an **access** or personal information **processing confirmation** request, please make sure that you specify whether you'd like your personal information to be delivered in electronic or printed form.
You will also need to let us know whether you want us to answer your request immediately, in which case we will answer in a simplified fashion, or if you need a complete disclosure instead.
In the latter case, we'll respond within 15 days from the time of your request, providing you with all the information on the origin of your personal information, confirmation on whether or not records exist, any criteria used for the processing and the purposes of the processing, while safeguarding our commercial and industrial secrets.

In the event that you file a **rectification, deletion, anonymization or personal information blocking** request, we will make sure to immediately communicate your request to other parties with whom we have shared your personal information in order to enable such third parties to also comply with your request — except in cases where such communication is proven impossible or involves disproportionate effort on our side.

Transfer of personal information outside of Brazil permitted by the law

We are allowed to transfer your personal information outside of the Brazilian territory in the following cases:

- when the transfer is necessary for international legal cooperation between public intelligence, investigation and prosecution bodies, according to the legal means provided by the international law;
- when the transfer is necessary to protect your life or physical security or those of a third party;
- when the transfer is authorized by the ANPD;
- when the transfer results from a commitment undertaken in an international cooperation agreement;
- when the transfer is necessary for the execution of a public policy or legal attribution of public service;
- when the transfer is necessary for compliance with a legal or regulatory obligation, the carrying out of a contract or preliminary procedures related to a contract, or the regular exercise of rights in judicial, administrative or arbitration procedures.

Further information for Users in the United States

This part of the document integrates with and supplements the information contained in the rest of the privacy policy and is provided by the business running tablo and, if the case may be, its parent, subsidiaries and affiliates (for the purposes of this section referred to collectively as "we", "us", "our").

The information contained in this section applies to all Users (Users are referred to below, simply as “you”, “your”, “yours”), who are residents in the following states: **California, Virginia, Colorado, Connecticut, Utah, Texas, Oregon, Nevada, Delaware, Iowa, New Hampshire, New Jersey, Nebraska, Tennessee, Minnesota, Maryland, Indiana, Kentucky, Rhode Island and Montana.**

For such Users, this information supersedes any other possibly divergent or conflicting provisions contained in the privacy policy.

This part of the document uses the term Personal Information (and Sensitive Personal Information).

Notice at collection

The following Notice at collection provides you with timely notice about the **categories of Personal Information collected or disclosed in the past 12 months** so that you can exercise meaningful control over our use of that Information.

While such categorization of Personal Information is mainly based on California privacy laws, it can also be helpful for anyone who is not a California resident to get a general idea of what types of Personal Information are collected.

- **Identifiers**
- **Personal information**
- **Biometric information**
- **Internet or other electronic network activity information**
- **Audio, electronic, visual, thermal, olfactory, or similar information**
- **Inferences drawn from other personal information**
- **Commercial information**
- **Employment related information**
- **Geolocation data**

ℹ️ You can read the definitions of these concepts inside the “Definitions and legal references section” of the privacy policy.

To know more about your rights in particular to opt out of certain processing activities and to limit the use of your sensitive personal information (“Limit the Use of My Sensitive Personal Information”) you can refer to the “Your privacy rights under US state laws” section of our privacy policy.

For more details on the collection of Personal Information, please read the section “Detailed information on the processing of Personal Data” of our privacy policy.

We won’t process your Information for unexpected purposes, or for purposes that are not reasonably necessary to and compatible with the purposes originally disclosed, without your consent.

What are the sources of the Personal Information we collect?

We collect the above-mentioned categories of Personal Information, either directly or indirectly, from you when you use tablo.

For example, you directly provide your Personal Information when you submit requests via any forms on tablo. You also provide Personal Information indirectly when you navigate tablo, as Personal Information about you is automatically observed and collected.

Finally, we may collect your Personal Information from third parties that work with us in connection with the Service or with the functioning of tablo and features thereof.

Your privacy rights under US state laws

You may exercise certain rights regarding your Personal Information. In particular, to the extent permitted by applicable law, you have:

- **the right to access Personal Information: the right to know.** You have the right to request that we confirm whether or not we are processing your Personal Information. You also have the right to access such Personal Information;
- **the right to correct inaccurate Personal Information.** You have the right to request that we correct any inaccurate Personal Information we maintain about you;
- **the right to request the deletion of your Personal Information.** You have the right to request that we delete any of your Personal Information;
- **the right to obtain a copy of your Personal Information.** We will provide your Personal Information in a portable and usable format that allows you to transfer data easily to another entity – provided that this is technically feasible;
- **the right to opt out from the Sale of your Personal Information;** We will not discriminate against you for exercising your privacy rights.
- **the right to non-discrimination.**

Additional rights for Users residing in California

In addition to the rights listed above common to all Users in the United States, as a User residing in California, you have:

- **The right to opt out of the Sharing of your Personal Information** for cross-context behavioral advertising;
- **The right to request to limit our use or disclosure of your Sensitive Personal Information** to only that which is necessary to perform the services or provide the goods, as is reasonably expected by an average consumer. Please note that certain exceptions outlined in the law may apply, such as, when the collection and processing of Sensitive Personal Information is necessary to verify or maintain the quality or safety of our service.

Additional rights for Users residing in Virginia, Colorado, Connecticut, Texas, Oregon, Nevada, Delaware, Iowa, New Hampshire, New Jersey, Nebraska, Tennessee, Minnesota, Maryland, Indiana, Kentucky, Rhode Island and Montana

In addition to the rights listed above common to all Users in the United States, as a User residing in Virginia, Colorado, Connecticut, Texas, Oregon, Nevada, Delaware, Iowa, New Hampshire, New Jersey, Nebraska, Tennessee, Minnesota, Maryland, Indiana, Kentucky, Rhode Island and Montana you have

- **The right to opt out of** the processing of your personal information for **Targeted Advertising or profiling** in furtherance of decisions that produce legal or similarly significant effects concerning you;
- **The right to freely give, deny or withdraw your consent for the processing of your Sensitive Personal Information.** Please note that certain exceptions outlined in the law may apply, such as, but not limited to, when the collection and processing of Sensitive Personal Information is necessary for the provision of a product or service specifically requested by the consumer. In Maryland, your Sensitive Personal Information will be collected or processed only if strictly necessary to provide or maintain a specific product or service requested by you.

In Minnesota and Maryland Users also have the right to obtain a list of the specific third parties to which the controller has disclosed the consumer's personal data

* Note that in some states like Minnesota you have the following specific rights connected to profiling:

- The right to question the results of the profiling;
- The right to be informed of the reason that the profiling resulted in the decision; if feasible
- The right to be informed of what actions the consumer might have taken to secure a different decision and the actions that the consumer might take to secure a different decision in the future;
- The right to review personal data used in the profiling;
- If inaccurate, the right to have the data corrected and the profiling decision reevaluated based on the corrected data;

Additional rights for users residing in Utah and Iowa

In addition to the rights listed above common to all Users in the United States, as a User residing in Utah and Iowa, you have:

- **The right to opt out of** the processing of your Personal Information for **Targeted Advertising**;
- **The right to opt out of the processing of your Sensitive Personal Information.** Please note that certain exceptions outlined in the law may apply, such as, but not limited to, when the collection and processing of Sensitive Personal Information is necessary for the provision of a product or service specifically requested by the consumer.

How to exercise your privacy rights under US state laws

To exercise the rights described above, you need to submit your request to us by contacting us via the contact details provided in this document.

For us to respond to your request, we must know who you are. We will not respond to any request if we are unable to verify your identity and therefore confirm the Personal Information in our possession relates to you. You are not required to create an account with us to submit your request. We will use any Personal Information collected from you in connection with the verification of your request solely for verification and shall not further disclose the Personal Information, retain it longer than necessary for purposes of verification, or use it for unrelated purposes.

If you are an adult, you can make a request on behalf of a child under your parental authority.

How to exercise your rights to opt out

In addition to what is stated above, to exercise your right to opt-out of Sale or Sharing and Targeted Advertising you can also use the privacy choices link provided on tablo.

If you want to submit requests to opt out of Sale or Sharing and Targeted Advertising activities via a user-enabled **global privacy control**, such as for example the Global Privacy Control ("GPC"), you are free to do so and we will abide by such request in a frictionless manner.

How and when we are expected to handle your request

We will respond to your request without undue delay, but in all cases within the timeframe required by applicable law. Should we need more time, we will explain to you the reasons why, and how much more time we need.

Should we deny your request, we will explain to you the reasons behind our denial (where envisaged by applicable law you may then contact the relevant authority to submit a complaint).

We do not charge a fee to process or respond to your request unless such request is manifestly unfounded or excessive and in all other cases where it is permitted by the applicable law. In such cases, we may charge a reasonable fee or refuse to act on the request. In either case, we will communicate our choices and explain the reasons behind them.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of tablo or the related Services.
The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, tablo may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, tablo and any third-party services may collect files that record interaction with tablo (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within tablo and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.
