
Privacy Policy for the Watch Face

Privacy Policy

Privacy Policy – Red Dice Studio

Effective Date: 7/15/2025

At Red Dice Studio, we value your privacy. This Privacy Policy outlines how we collect, use, and protect your information when you use our watch face apps on Google Play.

1. Information We Collect

We do **not** collect or store any personal information directly from users. Our apps do not require login or registration; we do not access your contacts, location, messages, or other personal data.

Google Play may collect certain data (e.g., device type, OS version, crash logs) as part of its platform services, under Google's Privacy Policy.

2. Permissions

Some of our watch faces may request access to:

- Step count, heart rate, or battery status (for display purposes only)
  These are only used within the app and are **never transmitted** or stored elsewhere.

3. Third-Party Services

Our apps may use Google Play Services. Please refer to their respective privacy policies.

4. Data Retention

Since we do not collect or store data, we do not retain any user data.

5. Children's Privacy

Our apps are not targeted toward children under the age of 13.

6. Changes to This Policy

We may update this Privacy Policy. Updates will be posted on this page with the revised date.
