# REMI KEYBOARD - Privacy Policy

- tháng 3 31, 2022

WELCOME TO

## REMI KEYBOARD
## KEYBOARD THEME

Note - The important thing is at the top We will **NEVER COLLECT** your personal information or photos from keyboard without your explicit permission

**Privacy Policy**

Your privacy is important to Emoji Keyboard Team (the “team”, “we” or “us”) and we are committed to protecting your privacy. **REMI KEYBOARD** provides this Privacy Policy to help you understand how we collect, use and disclose information, including what you may provide to us or that we obtain from our products and services. This Privacy Policy explains how we treat your information and protects your privacy when you use our mobile applications and related services (“the Software and Services”) and the rights and options available to you regarding your information. We believe that you have a right to know our practices regarding the information we may collect and use when you use the Software and Services. The Software and Services may include various features and content that are offered and

delivered to you by us and/or by third parties, such as news, messages, advertisements, gifs and stickers, as well as features and content that you may choose to add ("Content"). IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS SET FORTH HEREIN, DO NOT USE THE SOFTWARE AND SERVICES.

### Amendments to this Policy

We may periodically make changes to this Policy as we update or expand our Services. We will notify you of any material changes to this Privacy Policy by notifying you via the email we have on file for you, or by means of a notice on our Services in advance of the effective date of the changes. If you do not agree to the changes, you should discontinue your use of the Services prior to the time the modified Policy takes effect. If you continue using the Services after the modified Policy takes effect, you will be bound by the modified Policy. Furthermore, we may provide you with “just-in-time” disclosures or additional information about the data collection, use and sharing practices of specific Services. These notices may provide more information about our privacy practices, or provide you with additional choices about how we process your personal information.

### We do not collect sensitive information

While installing **REMI KEYBOARD,** you may see a popup that says "All text you entered may be collected."

This is a message that is displayed in a batch when you activate an external third-party keyboard app on your Android system and is not related to **REMI KEYBOARD**

**We NEVER collects personal data such as password, credit card number etc.**

We handle only a minimum amount of personal information for fix bug and application optimization.

**REMI KEYBOARD** strives to protect your privacy and reduce the likelihood of personal information leakage.

**We use personal information only for the right purpose**

**REMI KEYBOARD** does not use collected personal information for purposes other than its use without the user's prior consent.

Non-personal information such as language data (keywords) learned while the user is using **REMI KEYBOARD** is 100% anonymized so that the user can not be identified.

### Provision of personal information to a third party and consignment of handling

The company may provide the personal information listed above to third parties in the following cases.

1) Advertising IDs (ADID or IDFA) may be collected to customize the advertisements displayed on the provided advertisement platform and to understand how to use the app, and the procedure and responsibility for this is the responsibility of each advertisement platform.

2) The company provides personal information to third parties as follows.

-Person who receives personal information: Google

-Purpose of using personal information of the recipient: To understand the behavior of users and solve problems with products and services, for analysis and statistics of events that occur when using the app (Google Analytics)

**Permissions**

For your experience while using the app, the following permissions are required to be granted. The granted permissions will not be used other than the specified purposes written in the notice.
