You're not allowed to attempt to extract the source code of the app, and you also shouldn't try to translate the app into other languages or make derivative versions. The app itself, and all the trademarks, copyright, database rights, and other intellectual property rights related to it, still belong to MiMaStudio.

The Time Warp Scan app stores and processes personal data that you have provided to us, to provide my Service. It's your responsibility to keep your phone and access to the app secure. If you're using the app outside of an area with Wi-Fi, you should remember that the terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third-party charges.
