Privacy Policy

Welcome to the Smart Art Studios Watch Faces mobile application ("Service") provided by Smart Art Studios ("us," "we," or "our"). This Privacy Policy is designed to inform visitors about our practices regarding the collection, use, and disclosure of Personal Information when using our Service.
By using our Service, you agree to the collection and use of your Personal Information as outlined in this Privacy Policy. We are committed to protecting your privacy and will not use or share your information with anyone except as described in this policy.

Your privacy is important to us. This Privacy Policy explains how we collect, use, and safeguard your personal information when you use our Wear OS watch face application ("Application"). Please read this policy carefully to understand our practices and how we handle your information. By using the Application, you consent to the practices described in this Privacy Policy.

1. Information Collection

1.1 Personal Information: We only collect necessary personal information required for the functioning of the Application. We do not ask for or store personal information beyond what is needed.

1.2 Non-Personal Information: The Application collects anonymous usage statistics, such as button taps, to help us understand usage patterns and improve the Application. This information is completely anonymous and cannot be used to identify you.

2. Permission Usage

2.1 In-app purchases: This permission is required for making donations and accessing premium features in the Application.

2.2 Fitness data (read activity): With your consent, this permission allows the Application to access and display fitness data such as daily burned calories or step count from your fitness tracking device or app.

2.3 Location (read location): With your consent, this permission allows the Application to access your device's location to provide location-based features, such as displaying weather information or calculating distance walked.

2.4 Others (view network connections & full network access, prevent device from sleeping): These permissions are necessary for accessing third-party providers, such as Google Maps for manual location

selection and weather conditions based on your current location. The prevent device from sleeping permission is a requirement by Google for watch faces.

2.5 Body sensors (body sensors like heart rate monitors): With your consent, this permission enables the use of heart rate monitors with the Application.

3.Information Usage and Sharing

3.1 Usage: We use the collected information, including personal and non-personal information, solely for the functioning and customization of the Application. We do not share or sell your personal information to anyone.

3.2 Service Providers: We may engage third-party service providers to assist in operating and maintaining the Application. These providers have access to your information only as necessary to perform their functions and are obligated to maintain its confidentiality and security.

3.3 Compliance with Laws and Business Transfers: We may disclose your information if required by law, legal processes, or governmental requests. In the event of a merger, acquisition, or sale of our assets, your information may be transferred to the acquiring entity or the successor-in-interest.

Privacy Policy Changes

We reserve the right to update or modify this Privacy Policy at any time. We encourage you to review this policy periodically for any changes. Your continued use of the Application after the effective date of any revised Privacy Policy constitutes your acceptance of the changes.

Get in Touch

If you have any questions, concerns, or requests regarding this Privacy Policy or our privacy practices, please contact us at Smartartstudio6.android@gmail.com.

By using the Application, you acknowledge that you have read, understood, and agree to the collection, use, and disclosure of your information as described in this Privacy Policy.
