Why does Voodoo collect data from its apps and games?

When you use the Voodoo Apps and Games, We will collect information about you. Such information, also known as “personal data” can be automatically collected by Voodoo when necessary, or voluntary submitted by you. We use this data to provide you with the app or game that you downloaded, to ensure safety, and for other purposes described below (for instance advertising) in the “More Details” section.

More details

What data does Voodoo collect from its apps and games?

Voodoo does not use any data that allows us to identify you directly. We only collect mobile identifiers and other technical information (if necessary, only with your consent) allowing us to recognize your device.

More details

With whom may your data be shared & why?

We are not selling your personal information, but we need to share

Security and other important information

How long does Voodoo keep your data?

Personal data collected, received and processed for the purposes described in this policy is **not kept longer than necessary** by Voodoo.

User-level data is permanently removed from our databases when: (i) you submit a deletion request, or (ii) no activity is detected for a continuous period of 25 months.

Children data

Voodoo **never** knowingly or willingly **collects any personal data concerning children under 16** years of age. **If you are under 16, please do not use Voodoo Apps and Games.**

International transfers

Some of the partners and processors referred to in this policy are located outside of the European Union.

In such case, we ensure that:

- the personal data is transferred to countries recognized as offering an equivalent level of protection or,
