Disclaimer

Please note that Vehicle Info is not authorized by any Government authority to directly collect challan payments on behalf of users. We do not represent or act on behalf of any Government department or traffic enforcement agency.

We are a private service provider offering a convenience-based solution that enables you to manage and settle your traffic challans more efficiently. By using our platform, you authorize Vehicle Info and its representatives to process and pay your challans on your behalf through official government portals and legal channels.

Our service includes the use of advanced technology, human operational resources, and a dedicated legal support team to ensure that your challans are identified, verified, and resolved promptly and accurately. As such, we charge a convenience fee to defray the costs associated with delivering this service.

We affirm that our operations are conducted in strict compliance with applicable laws and do not violate any RBI regulations or statutes, including but not limited to the Payment and Settlement Systems Act, 2007. Our role is purely facilitative, and we do not function as a payment gateway, bank, or financial intermediary under regulatory definitions.
