Privacy Policy

– All apps/watch faces on this Play Store page are owned by

WFProduction

– All WFProduction apps/watch faces do not allow account creation;

– All WFProduction apps/watch faces do not collect, use or share your personal information;

– All WFProduction apps/watch faces do not contain or promote violent and sexual content;

– All WFProduction apps/watch faces do not advertise or promote illegal substances, drugs, etc.;

– All WFProduction apps/watch faces are suitable for all ages without any restrictions.

Medical and Health Features:

- All WFProduction apps/watch faces do not store any information about your health;

- All WFProduction apps/watch faces are not intended for medical purposes, all health features are for general health monitoring only and are not medical.

- All WFProduction apps/watch faces do not request access to read or write medical record data;

- All WFProduction apps/watch faces must communicate with wearables or special sensors on your watch to measure data. The watch faces themselves do not measure any data;

- Data accessed through Health & Fitness app permissions is considered personal and confidential user information.

The privacy policy is not editable by third parties.
