- Google Play Services

Log Data

I want to inform you that whenever you use my Service, in a case of an error in the app I collect data and information only from "Google Play Console". This application indicated the device from which you purchase the application (operating system version of the device, manufacturer and model of the device, information about hardware platform, resolution and screen size of your device, language and version of OpenGL ES)

resolution and screen size of your device, language and version of OpenGL ES).

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these “cookies”. The app do not use third party code and libraries that use “cookies” to collect information and improve their services.

Service Providers

I want to inform users of this Service that any third parties do not have access to your Personal Information. The watch faces and the companion app are designed by a single designer.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to my other websites associated with the "CanvasTime Studio" brand and its dials. If you click on one of these links in the our watch face companion app, you wil be redirected to our web sites. Please note that, i am not responcible for any other sites not associated wit our brand.

Children’s Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able

CanvasTime Studio

child has provided us with personal information, please contact me so that I will be able to do necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 03-02-2025
